CAUTION:

SAFETY INSTRUCTIONS:

1. General protective and hygienic measures: Do not inhale gases/fumes/aerosols. Use only in well ventilated areas. 2. Breathing equipment: Inhalation of dust or vapor should be avoided. 3. Protection of hands: Rinse and dry hands after use. For prolonged contact, protection for the skin may be necessary. 4. Eye protection: Safety Glasses are recommended in those cases where handling the undiluted product involves the risk of splashing.

Emergency Treatment: General information: No special measures required. Inhalation: Remove from source of exposure. Obtain medical attention if symptoms develop. Eye contact: Wash immediately with copious amounts of water. Ingestion: Rinse out mouth and then drink one or two glasses of water (or milk). In case of persistent symptoms or adverse reaction on skin or other body parts, stop using and seek medical advice.
